- 3 Quilts may be entered in four categories: Ø hand quilted Ø domestic/mid arm – fabric is manipulated by hand under a fixed machine Ø track (mid/long arm) – this includes where the machine rides on wheels and moves over the fabric and the machine is hand guided. No computer programmed quilting will be allowed. Ø computerized quilting – where the quilting design has been computer programmed
- 4 The quilt must be completely done by the person submitting the quilt.
- 5 No commercial quilting will be allowed (machine quilted by someone other than the exhibitor).
