- 3 Quilts may be entered in four categories: Ø hand quilted Ø domestic/mid arm – fabric is manipulated by hand under a fixed machine Ø track (mid/long arm) – this includes where the machine rides on wheels and moves over the fabric and the machine is hand guided. No computer programmed quilting will be allowed. Ø computerized quilting – where the quilting design has been computer programmed
- 4 The quilt must be completely done by the person submitting the quilt.
- 5 No commercial quilting will be allowed (machine quilted by someone other than the exhibitor).
- 6 Quilts must have an appropriate title and give appropriate credit to pattern designer if not original.

- 15 Any quilt may be entered in competition at as many Fairs as the exhibitor wishes. However, it may only represent the Society where it was first entered in the Provincial Competition and won. The exhibitor must advise Societies at the time of entry if their quilt is a winner at a previous fair.
